How has God been speaking to you lately?

What has he been saying?

How can we help each other hear more clearly?

What can you be grateful to Christ for today?

Perhaps it is helpful to recall the many different uses of the Lamb image from the OT (see 2<sup>nd</sup> page)

How settled is your identity? Do you feel insecure or unsettled in who you are? If not, when and how did your identity get settled?

If you could only think of yourself in relationship to Christ, how would you view yourself?

What part of your life feels like it has the least amount of meaning, purpose, or wholeness? What if God wants to use that area for his glory?

How might you today be a VOICE that speaks the WORD that helps people come to God? – Be specific!
